Have you ever thought, "Church people just don't understand what my life is like?" Well, guess what... we have, too! We are a very active couples' class that will study God's Word together and see what He has to say about every aspect of our lives.

DREAM AGAIN

Henry & Patt White

EB: 212 B

Love, joy, life, excitement... this should be the normal daily experience of the 50+ person. For many of us in this age group, the "dreams of success and achievement" have faded into a forgotten past, but God is a God of the present and future. He desires for you to be fulfilled on your journey in this life. Now, it's time to begin "dreaming again" and watch your God bring your dreams into reality.

GETTING REAL: A CLASS FOR SINGLES

Jenny Crick

EB: 210 A/B

Single life doesn't have to be bland! We often destroy our own lives because we don't know what characteristics to develop to find real success in our life and relationships. Join us each week as we find real answers to life situations. This class is active and full of opportunities to gain friendships, have fellowship, and develop a Christ-driven life.

GOD SEEKERS

Marty & Lynn Cooper

SAN: 202

God's Word says in Jeremiah 29:12-14 that if we call on Him and pray to Him, seeking Him with all our heart, we will find Him. Life for us is seeking God with all our heart and helping others to come to the knowledge of the saving grace of Jesus Christ. We are a class for all ages, desiring to know Him in every part of our lives. The chase is on... come along and find Him with us.

JUST DO IT

Doug & Shelly Sterban

EB: 311 A/B

This class presents questions about how we deal with life, and then explains what the Bible says to do by giving you relevant and practical steps based on the Word. "Just Do It" is much easier said than done. It is an attitude that separates the doers from those who don't. So, what are you waiting for? Stop sitting on the sidelines and get in the game!
